## Como Collection

UFL is an industry leader in the manufacture and supply of a wide selection of landside and airside products including mass seating, counters, passenger facilitation, hospitality, lounge and complementary furniture.

We manufacture using high-performance materials, featuring ergonomic design for superior passenger comfort and space economy. To deliver the optimum passenger experience we tap into global trends, new materials and innovative technology, to meet your needs through innovative products, advice and customisation.

UFL has a commitment to quality and sustainability in both design and manufacture. We hold ISO 9001 certification.

Wherever possible, we consider each product's lifecycle, choosing materials and components which can be reused and recycled. We're also consciously working to reduce our carbon footprint and impact on the planet.

## The Como family includes a lounge chair, sofa and highback sofa.

Born from a need for a soft seating solution designed with personal space in mind. A feature of the Como series is that there are no loose cushions, making it suitable for public spaces. The high back version features a complimentary screen providing privacy and acoustic control.

Comprising a hardwood frame, fabric or leather upholstery may be specified, whilst the frame of the Como is available in brushed stainless steel.

Power and USB charge integration has been well resolved with a concealed solution through the legs. Floor fixing available.
