

Social Modular Sofa

UFL is an industry leader in the manufacture and supply of a wide selection of landside and airside products including mass seating, counters, passenger facilitation, hospitality, lounge and complementary furniture.

We manufacture using high-performance materials, featuring ergonomic design for superior passenger comfort and space economy. To deliver the optimum passenger experience we tap into global trends, new materials and innovative technology, to meet your needs through innovative products, advice and customisation.

UFL has a commitment to quality and sustainability in both design and manufacture. We hold ISO 9001 certification.

Wherever possible, we consider each product's lifecycle, choosing materials and components which can be reused and recycled. We're also consciously working to reduce our carbon footprint and impact on the planet.

The Social modular unit is customised to suit endless configurations and possibilities

Social is a modular soft seating unit designed with endless configuration possibilities. This piece is as comfortable as it is versatile and manufactured specifically to meet the needs of wearing passengers and people in transit. The Social is the perfect seating solution for any commercial meeting or public space.

Social is available in a range of modules to create a plethora of configurations and can be customised to suit exact space requirements. Adding warmth to any space, the sofa is built on natural or stained oak sled base and fully upholstered in selected fabric.
